

Chevre:

Do you want to raise money to send kids to URJ Camps AND help the American Conference of Cantors continue to support its important work?

Don't miss the opportunity to join us in the ACC-URJ Campership Concert Initiative for 2011-2012. ACC-URJ Campership Concerts have already been confirmed in New Hampshire and Central Florida in December 2011, the Bay Area in January 2012 and South Florida in Spring of 2012. Please join this effort to ensure its greatest possible success.

After an incredibly successful campaign in which over \$50,000 was raised for "camperships" in 2009 and 2010, members of the American Conference of Cantors will once again "sing for s'mores" to help raise funds to send kids to URJ camps during the summer of 2012. We are thrilled to roll out the new initiative in which we hope to present concerts throughout North America through Spring 2012. The new initiative seeks to raise awareness of URJ camps and the Jewish camping movement and the ACC Cantor's commitment to making this dream a reality for every child. Additionally, the new initiative will raise funds equally for scholarships to help send kids to URJ camps, as well as, funds for the American Conference of Cantors to help continue develop programs that will further support our goals and objectives.

Participation in a campership concert will automatically award you an annual membership to our "Shirim Ush'kalim-Concert Honor Society." Members of the society will be listed regularly in our printed and online material as well as honored at convention and other ACC conference wide events. Those who are unable to participate in a campership concert, may still become members of our Concert Honor Society by making a contribution of at least \$360.00.

Please get involved. We rely on each and every one of our members to help make our dream a reality.

If you would like to host a concert and would like some more information about the new ACC Concert Campership Initiative for 2012, please contact me privately at cantorboo@gmail.com.

Kol tuv,

Jacki
