Subject: ACC Retirement Plan Contributions and Annual Contribution Calculation Form

Retirement Contributions

The ACC Office no longer accepts checks for Synagogue/Employer contributions or Salary Elective Deferral contributions. These retirement contributions should be made directly to Fidelity Investments via their employer system, the Fidelity Plan Sponsor Web Station (PSW). Fidelity PSW's online platform enables you to make contributions electronically for the benefit of cantors, rabbis and GTM members who participate in the ACC Retirement Plan. These transactions can be made faster and more securely with the online processing system than with traditional paper checks.

Please note that Salary Elective Deferral contributions should be deposited to the participant's account in a reasonable time frame after the end of each the payroll cycle. Usually the last item of a payroll run, the Salary Deferral contributions should be made before the next payroll cycle begins.

Getting Started

1. Included is a PSW User Access form for the synagogue administrator or bookkeeping staff in case you need to sign up for the first time, make a change, or add additional staff to the Fidelity PSW system. Fax completed forms to the ACC Office, Fax # 847-781-7801.
2. If your synagogue has never had a participant in the ACC Retirement Plan, it will also be set up as an Employer in Fidelity's system. Employer set up processing typically takes about 5 to 7 business days.
3. Your information (or your designate) will be set up in Fidelity's PSW system. Instructions will be provided by Fidelity Investments via email with login instructions and for establishing a payment method. Depending on your bank, ACH set up usually takes about 8 to 10 business days.
4. After the payment method is established, the Fidelity PSW system will be ready for use.

¹ Your employer can make a discretionary contribution on your behalf. Plan guidelines suggest a minimum of 15% of your annual eligible compensation. Not including catch-up contributions, but including salary deferral contributions, the **maximum aggregate annual contribution** that can be made on your behalf is the lesser of **\$55,000** or 100% of your 415 Compensation. Any amount contributed over the maximum limit will be invested in the ACC Supplemental Plan.

² You may make a **salary deferral contribution** up to 100% of your eligible compensation on a before tax basis. However, this contribution is subject to the maximum limits imposed by the IRS, **\$18,500 in 2018**, plus an additional \$6,000 if you are age 50 or older at December 31, 2018. Any amount contributed over the maximum limit will be invested in the ACC Supplemental Plan. Your congregation is required to remit this contribution directly to Fidelity at the time it is earned.
