Virtual Choir Video Packages

“Turn Key” Package \$500 per song plus \$11 per input

For very busy people... This includes everything you need to make a fantastic video! Just supply us a pdf of the score and we'll take care of the rest:

- Instrumental track (we create or you can supply)
- Vocal guide tracks for every part (SATB etc)
- Video guide tracks for every part
- Conductor for video guide track (or you can supply a video of your conductor)
- Score included on-screen for video guide track (you supply a pdf of the score)
- Comprehensive instructions for both the choir leader and members
- Pre-upload checklist for choir members and other performers
- Easy upload links and storage for members' videos
- All necessary professional video and audio editing to produce a beautiful, well laid-out video with all performers on screen at the same time

“Basic” Package.....\$350 per song plus \$11 per input

For people who have the expertise and, more importantly, the TIME to create the instrumental tracks, audio guide tracks, etc.

- Video guide tracks created from elements that you supply
- Conductor for video guide track (or you can supply a video of your conductor)
- Score included on-screen for video guide track (you supply a pdf of the score)
- Comprehensive instructions for both the choir leader and members
- Pre-upload checklist for choir members and other performers
- Easy upload links and storage for members' videos
- All necessary professional video and audio editing to produce a beautiful, well laid-out video with all performers on screen at the same time
